

## "BURRA" Est 1894 - A richly historic and unique family oasis

4 2 2

Sitting on a significant land holding of 1205sqm approx. this double-brick Italianate Victorian homestead is set amidst a beautifully manicured garden, complemented by a lovely choice of exquisite alfresco areas.

Built in 1894 and in the hands of the current owners for the last 45 years, this is a unique opportunity to secure a slice of history and revel in the decorative flourish of iron lacework, hallway arches, a marble open fireplace and ornate roses atop 12-foot ceilings.
