

## Countryside Tranquillity and Large-Scale Modern Family Living Combine

3 2 3

Set on a scenic 5.9-acre (approx) allotment with endless treetop views across the rolling hills of Belgrave, this magnificent family home invites you to embrace the tranquillity of rural life, with the ease of moving in and simply enjoying ample accommodation and harmonious family living.

Cleverly designed over two spacious levels, discover three large bedrooms plus a study, and two elegant bathrooms, featuring a main bath with a corner spa and an ensuite with dual vanity and a walk-in shower. A sleek kitchen outfitted with stainless steel appliances and meticulous granite benches invites culinary creativity and entertaining, complemented by two expansive living zones, a separate dining domain, laundry, and generous storage options throughout.
